**Ch Eryx FP Rottweilers BCAT**

Eryx is a wonderful example of the Rottweiler breed! He is fully health tested and CHIC Certified! He is an IABCA IntCh, NatCh, HrnCH, and HrnCh in Bronze, Silver and Gold!! Eryx has his BCAT, he is a UKC Champion, UKC Reserve Best in Show, has been BOB multiple times, has many group placements as well as being V1 Rated at every show! Eryx also won BOB puppy, his NatCh, IntCh and HrnCh Puppy in his first weekend of showing at 5 months old! Eryx is a large male with great bone and substance, he has a wonderful, level topline and powerful gait with great reach and drive! He has rich, rust markings, black eyes and black mouth pigment, a correct scissor bite and full dentition. His headpiece is impressive! Large with a well defined stop without being overdone, correct muzzle to head ratio, with large ears set and carried correctly. He has a deep, well sprung chest, correct and powerful front, and strong correct rear with excellent front and rear angulation! Eryx is a high drive dog with high prey and working drives, while still maintaining a very fun loving disposition! He passes his high drives and solid, stable temperament to his offspring!

Available for stud to fully health tested bitches of merit! Stud fee, \$2,000
